

MORECAMBE

Hi,

It is a while since we did a Grace Ministries update so I thought now was as good a time as any to do so. None of our lives are quite as we would have expected them to be right now. I'm sure as you entered 2020 you would never have believed that the world would be in lockdown by the end of March. What incredible times we are living in. As a Christian I am not at all surprised by this as the bible tells us to expect these things.

As we entered 2020 we were excited about opening "The River of Life Prayer Centre", as part of Grace Ministries. We were raring to go, everything was in place so as we could open on 3rd April, then on 23rd March, Prime Minister Boris Johnson informed the country that we were on lockdown, all our plans were placed on hold. Grace Ministries had to close and we are currently closed until further notice. Once restrictions start to be lifted and shops are able to re-open we will be looking at how we do that safely, we can't imagine that the Drop-In will be able to operate in the same way as it was doing prior to lockdown.

What are we doing during this lockdown period?

When we realised that it would be a while before we could re-open, we emptied all our foodbank shelves and delivered the food to the central hub as we figured it was better to be used rather than sat on the shelf. We are now a referring agency to Lancaster District COVID-19 food bank. We are also able to open the shop for individuals who may be desperate for clothing, we open by appointment only, this allows people to come along, take what they need and social distancing can be maintained.

For a foodbank referral or those in need of clothing email:

The other thing we are doing is offering prayer support, our email address is on the Lancaster Integrated Care Communities data base, so people can email with their prayer needs and contact details and we can support them in this way.

If you would like to talk to someone or would like some prayer support email:

We are living in very uncertain times and many people are anxious or worried about what the future may look like. I am so blessed as a Christian I don't feel that anxiety, I know that God is in control no matter what and I don't need to worry about the future. If you are reading this and you cannot relate to what I am saying then I encourage you to reach out to God in prayer. He is there and He will hear you. If you have a bible you could read Matthew 6 v 25-34 where Jesus starts by saying "Therefore I tell you, do not worry about your life". You will also find 'The Lords Prayer' in Matthew chapter 6. If you don't have a bible and would like one, then please get in touch with us and we will make sure you get one.

If you would like to know more about Christianity, then please log on to our website and take a look at the 'spiritual things' tab where there is other information.
